WOMAN OF GOD

The woman of God discovers her identity in Christ!

She finds love, happiness, comfort, strength, respect, acceptance, joy and peace

In who she is in Him! Her prayers begin to change. Her desires change.

Her perspective is no longer the same. She doesn't find satisfaction from the things of the world. Her strength is in uplifting others knowing there is no competition. It is

hard to find a woman like her. She is rare, secure and confident!

She radiates love and respect!

She trusts the Lord with all her heart and seeks His direction over her life.

She is a daughter of the King!
