## **2025 THEME: PHILIPPIANS 3:14-16 N.K.J.V.**

*“I press toward the goal for the prize of the upward call of God in Christ Jesus. Therefore let us, as many as are mature, have this mind; and if in anything you think otherwise, God will reveal even this to you. Nevertheless, to the degree that we have already attained, let us walk by the same rule, let us be of the same mind.”*

## **ANNOUNCEMENTS**

**MT. HERMON** as we prepare for VBS, Community Youth Rally, Church Cookout and Seasoned Saint’s Day, take heart from the words of Apostle Paul in Philippians 4:13, “I can do all things through Christ which strengtheneth me.” This verse reminds us that God provides the strength and guidance we need to fulfill His work.

Heavenly Father, we thank You for the opportunity to serve and teach the children and community through Vacation Bible School and the upcoming events. We ask for Your presence to be with us, guiding and strengthening our efforts. Fill our hearts with Your love so that we can share it with others. May these events bring glory to Your name and draw many closer to you.

In Jesus name, we pray. Amen

**ATTENTION!** Every woman of Mt. Hermon! You are invited to attend the Women’s Ministry on every second Tuesday evening of each month at 6:00 p.m. Our next meeting is Tuesday, July 8<sup>th</sup>. Bring your badges, personal labels, and name tags as we study God’s Word and engage in learning activities sprinkled with loving fellowship! See each of you this Tuesday at 6:00 p.m. Lovingly, Sister Bouie and First Lady Andrea Horne.

To Elder Horne and our Mt. Hermon Church Family; Your presence and support during the transition of SISTER JOYCE E. AUSTIN has brought immense comfort to our family. We are deeply grateful for your prayers, kindness and the warmth you shared with us. Having the Christian family in our midst truly lifts our spirits and reminds us of the love that surrounds us. *Love, Clark / Gachett Family.*

Or sinner find that He would not take him?

# FAITH

Increase our faith so we may see  
What you're doing in our lives  
And all that we'll accomplish in you  
So our faith begins to rise.

We need to be reminded, Lord,  
Of the small mustard seed  
And how the same amount of faith  
Moves mountains if we believe.

As we walk in pure obedience  
With confidence in you,  
Our faith begins to grow and flourish,  
Bearing more abundant fruit.

We must go beyond the limits  
Of our comfort zones,  
Our faith is activated at those times  
When we walk into the unknown.

For it's when the safety net is gone,  
We realize we need our Lord,  
When there's nothing left to fall back on,  
We must lean on God much more.

And faith is released in our hearts  
As we bend our knee to pray;  
We shall be strengthened as we walk  
And commit to Him each day.

## **“WHICH ONE ARE YOU?”**

Some people help to keep their Church strong,

While others just belong;

Some dig right in, some serve with pride;

Some go along just for the ride.

Some volunteer and do their share,

While others sit back and just don't care;

On each Lord's Day, some always show,

While there are others who never go.

Some always give to the Lord just as He said,

Others only give what is leftover instead:

Some do their best, some build, some make,

Some never give but always take.

Some lag behind; some let things go,

Some never help their Church to grow;

Some drag, some pull, some don't some do.

Consider this, “WHICH ONE ARE YOU?”

# HEATSTROKE AWARENESS

Heatstroke is the most serious heat-related disorder. It occurs when the body becomes unable to control its temperature: the body's temperature rises rapidly, the sweating mechanism fails, and the body is unable to cool down. When heat stroke occurs, the body temperature can rise to 106 degrees Fahrenheit or higher within 10 to 15 minutes. Heatstroke can cause death or permanent disability if emergency treatment is not given.

## **Symptoms of heatstroke include:**

- Hot, dry skin or profuse sweating
- Hallucinations
- Chills
- Throbbing headache
- High body temperature
- Confusion/dizziness
- Slurred speech

## **First Aid**

Take the following steps to treat a worker with heatstroke:

- Call 911 and notify their supervisor.
- Move the sick worker to a cool shaded area.
- Cool the worker using methods such as:
  - Soaking their clothes with water.
  - Spraying, sponging, or showering them with water.
  - Fanning their body.

## **Heat Exhaustion**

Heat exhaustion is the body's response to an excessive loss of the water and salt, usually through excessive sweating. Persons most prone to heat exhaustion are those that are elderly, have high blood pressure, and those working in a hot environment.
