ANNOUNCEMENTS

BE ENCOURAGED IN THE LORD - Let's talk about your comeback. All the times you fell and **God** got us back up. Let's talk about the lessons. All the hurt we turned into healing. Let's talk about the version of us that we haven't met yet, and all the versions of ourselves that **God** helped us get to where we are now. Let's talk about our survival, all the things that were sent to break us, and we barely even flinched, **God**. Let's talk about how beautiful it is that the ugliest parts of our stories are what taught us grace. Let's talk about all of the times we doubted ourselves, how **God** used the pieces of those moments to build us back up into the most certain thing we've ever known. You dove straight into the chaos and came out holding nothing but peace. You, unbreakable, strong and fierce and brave, God sees you and every version of you that carried you here. He sees all of you! Let's talk about how far you've come and how you're still standing. Romans 5:3-4 "And not only so, but we glory in tribulations also: knowing that tribulation worketh patience; And patience, experience; and experience, hope."

FREE AED TRAINING - The Nurses Guild is excited to announce free AED training with Sgt. Reddick on Saturday, November 15, 2025, at 10:00 a.m. At the City of Cleveland Division of EMS located at 1701 Lakeside Ave, Cleveland, OH 44114. If you are interested, a meeting is forthcoming and will be announced.

JOIN THE CA 100 HOUSEKEEPING PROJECT! –We invite you to join us for our Housekeeping Day, scheduled for Saturday, November 8th, from 10 am to 12noon, organized by Deacon Powell and his dedicated team. Participating in this day of service is more than just cleaning- It's about coming together as one body in Christ, embodying the love and care that God calls us to show one another. As you consider joining us, remember the encouragement from Colossians 3:23-24 "And whatsoever ye do, do it heartily, as to the Lord, and not unto men; Knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ."

MINISTRY ELECTIONS – Will you pursue God first in electing your leader? Part of obeying God is seeking God-fearing leaders. Ephesians 1:5 “Having predestinated us unto the adoption of children by Jesus Christ to Himself, according to the good pleasure of His will.” Individuals should submit his or her name and a list of cabinet members to the office in writing by Sunday, December 7th.

SISTER QUBIE ROWE, a devoted member of Mt. Hermon 48 years, has answered her eternal summons. Sister Rowe was the beloved mother of Sisters Michelle Rowe-Harriston and Anquetta Rowe-Johnson and grandmother of Brother Matthew Rowe-Wilson, aunt, Sister Peggy Raines and Sister Patricia Martin. Funeral details will be announced.

Numbers 6:24-26 “The Lord bless thee, and keep thee:

The Lord make his face shine upon thee, and be gracious unto thee: The Lord lift up his countenance upon thee, and give thee peace.” MT. Hermon, Thank you for opening your doors and walking through this season with us. Special thanks for the flowers from the Sanctuary and Mass Choirs as well as the R.E.A.L. Men Fellowship. The

plaque was a very generous addition. Blessings, *Panya and Family*.

SUNDAY SCHOOL HYMN

HOLY, HOLY, HOLY

Holy, holy, holy! Lord God Almighty!

Early in the morning our song shall rise to thee.

Holy, holy, holy! merciful and mighty!

God in three Persons, blessed Trinity!

Holy, holy, holy! Lord God Almighty!

All thy works shall praise thy name, in earth, and sky, and sea;

Holy, holy, holy! merciful and mighty!

God in three Persons, blessed Trinity.

What Is Diabetes?

Diabetes is a medical condition that affects the body's ability to process sugar. People may have prediabetes and diabetes for several years before the onset of symptoms. There are a few classifications of diabetes based on certain conditions:

- Prediabetes
- Type 1 Diabetes
- Type 2 Diabetes
- Gestational Diabetes

Type 2 diabetes (the most common type) develops when the body is resistant to insulin, which is produced by cells in the body. This causes an increase in insulin levels and eventually an increase in blood sugar. Type 1 diabetes differs in that the body's immune system causes cells that produce insulin to die, resulting in a lack of insulin in the body. Regardless of the type of diabetes an individual has, diabetics are defined as having far too much glucose in their bloodstream. Diabetes is a problem because it can cause more significant threats to an individual's health in the future.

Symptoms of Diabetes

If you're not sure whether you or someone you know has diabetes, look for these symptoms. Remember, this is not a comprehensive list of all symptoms, nor should it be used to self-diagnose. If you experience any of these symptoms and think you may be at risk of having or developing diabetes, schedule a visit with your doctor to get screened for diabetes:

- Being hungry and tired regularly, even when you've had enough to eat and enough sleep
- Urinating more often and being thirstier than normal
- Having a dry mouth and/or itchy skin
- Blurred vision
- Being easily irritated
- Frequent yeast or other infections
- Slow-healing cuts or sores
- Numbness and/or pain in legs and feet
- Unintentional and unexplained weight loss
