WORSHIP GUIDE

Sunday, May 3, 2026

*“O come, let us worship and bow down:
let us kneel before the Lord our maker.”*

— Psalm 95:6 (KJV)

Elder George R. Horne Jr., Pastor

In Psalm 115:15 “May you be blessed by the Lord, Who made heaven and earth.” In this verse, we are reminded of the abundant blessing God desires to pour out on His people. As believers, we often think of blessings in terms of material wealth or personal success. However, true blessings encompass much more: spiritual growth, the strength to persevere, and a life rooted deeply in God’s grace. The psalmist’s words reveal a God who not only sustains us but enriches every aspect of our lives – our families, our communities, and our worship. The phrase “you will be blessed by the Lord” is a profound assurance that God’s favor is not random but intentional and continuous. This blessing is not just for individual benefit but also serves to build up the community. When we grow spiritually, supported by our faith and by each other, we become a living testimony of God’s love in the world. It encourages us to support one another in our faith journeys, creating a community where worship and love flourish side by side. In worship, we express gratitude for these blessings, recognizing God as the source of all good things. This gratitude should inspire us to live lives that reflect God’s kindness and generosity, reaching out to others with compassion and support. Take a moment today to reflect: How can you be a channel of God’s blessing to those around you.

ATTENTION: All Cookout Committee Members and Volunteers are asked to meet today, after service in the Scovill Choir Stand.

To Elder Horne and our Mt. Hermon Church Family, “To God be The Glory for the things he has done!” Thank you our Mt Hermon Family for all the beautiful flowers. Thank you for the lovely cards and all the calls of encouragement. But most of all, thank you for all of the prayers. God has been extremely good to me and I can’t thank Him enough. Also, on behalf of my mother, Essie Williams and our entire family. “Thank You So Much” for the prayers and the resolution and kindness in the loss of our mom’s sister and brother. Continue to keep us in prayer and God bless you all. *Sister Linda Lewis Poole and Family.*

THE LORD’S SUPPER will be observed next Sunday after the sermon.

SUNDAY SCHOOL HYMN

GLORY TO HIS NAME

Down at the cross where my Savior died,
down where for cleansing from sin I cried,
there to my heart was the blood applied.

Glory to His name!

I am so wondrously saved from sin;
Jesus so sweetly abides within.

There at the cross where He took me in-
Glory to His name!

CHORUS

Glory to His name!

Glory to His name!

There to my heart was the blood applied.
Glory to His name!

STROKE WARNING SIGNS AND SYMPTOMS

Spot a stroke -- F.A.S.T.

F

Face Drooping Does one side of the face droop or is it numb? Ask the person to smile.

A

Arm Weakness Is one arm weak or numb? Ask the person to raise both arms. Does one arm drift downward?

S

Speech Difficulty Is speech slurred, are they unable to speak, or are they hard to understand? Ask the person to repeat a simple sentence, like “the sky is blue.” Is the sentence repeated correctly?

T

Time to call 911 If the person shows any of these symptoms, even if the symptoms go away, call 9-1-1 and get them to the hospital immediately.

WHAT TO DO IF YOU THINK SOMEONE IS HAVING A STROKE

- ☞ Immediately call 9-1-1 or the Emergency Medical Services (EMS) number so an ambulance can be sent. Also, check the time so you’ll know when the first stroke symptoms appeared. A clot-busting drug called tissue plasminogen activator (IPA) may improve the chances of getting better but only if you get it them help right away.
- ☞ A TIA or transient ischemic attack is a “warning stroke” or “mini-stroke” that produces stroke-like symptoms. TIA symptoms usually only last for a few minutes but, if left untreated, people who have TIAs have the risk of stroke. Recognizing and treating TIAs can reduce the risk of a major stroke.

BEYOND F.A.S.T. – OTHER SYMPTOMS YOU SHOULD KNOW

Sudden numbness or weakness of the leg

Sudden confusion or trouble understanding

Sudden trouble seeing in one or both eyes

Sudden trouble walking, dizziness, loss of balance or coordination

Sudden severe headache with no known cause.
